

## FIRST STATE BANK

With much thought and prayer, we believe it to be in the best interest of our bank family – customers, employees, vendors – to temporarily limit access to the lobbies at our Valliant and Idabel locations effective March 26th at 4:00 pm. Our drive-thru hours remain unchanged.

ATMs and night depositories are available 24 hours per day at all 3 of our locations. The hours of lobby operation at our Hochatown location will be modified to 12:00 – 4:00 pm. during this time.

Appointments for new accounts, loans and safe deposit access are available by calling the applicable location.

We encourage our customers to contact us with any questions or if you need assistance with special accommodations. We are here to help you.

We also encourage you to utilize our online banking services, bill pay, mobile deposit capture, mobile app or the TeleBank line. If you need assistance signing up for those services, please call us. We would love to help.

We will continually update our website, online banking portals and Facebook to keep you informed. We want you to know that your money continues to be safe and accessible.

We remain committed to providing complete financial resources to families, businesses, and organizations that are located in the communities we serve. We strive to enhance the quality of life through this commitment, along with our involvement in and support of those communities. That is our Mission Statement and we believe it with all our hearts.

We believe that God is good and He works everything for our good.

We will continue to pray for our country, our employees, and our customers.
