

# TAKE ACTION

## Follow these steps for a smooth transition to your new **TEXAR** Credit Card!

- 1** You can start using your new card on September 19, 2020! Please be sure to activate it before use. Your old card will no longer be effective after September 18, 2020.
- 2** To avoid delays in making your September credit card payment, please send to our new address:  
TEXAR  
P.O. Box 660493  
Dallas, TX 75266-0493
- 3** Contact all merchants you pay monthly with your TEXAR credit card before September. They will need your new card number and expiration date for your September payment to avoid late payment fees.
- 4** Bill Pay information should also be updated with your new credit card number and payment address, if you use it to make your monthly credit card payment. This will ensure that it is not late due to an incorrect address.
