Dear Member,

YOU WILL BE RECEIVING A NEW CREDIT CARD SOON!

TEXAR is partnering with a new credit card processor this year. With the new partnership, we will be able to provide a more secure credit card and upgraded functionality to cardholders.

There are important credit card changes coming in September. Here's the information you NEED to know so you will have continued access to your credit card:

- In September 2020 you will receive a new TEXAR Platinum Reward credit card. **DO NOT destroy your current card. THE NEW CARD CANNOT BE USED UNTIL SEPTEMBER 19, 2020.**
- **The new card will be issued with a new number and expiration date. You will be able to activate it starting Saturday, September 19, 2020.**
- If you have any pre-authorized or recurring charges (health club, insurance, subscription services, cable, utilities, etc.) on your card, you will need to update those merchants with your new card number and expiration date.
- If you are making payments on your TEXAR credit card via a bill payment service, you will need to update your bill pay with the new card number and new mailing address for the payments.
- **Do not use your old TEXAR credit card after September 19, 2020.** Transactions will be denied. You may continue to use your old card through midnight September 18, 2020.
- All current Rewards points will transfer over to your new credit card reward program after August 31, 2020.

Thank you for being a valued TEXAR member!
