# COVID-19 EXTENSION REQUEST FORM

As a customer of Great Plains National Bank, your well-being is very important to us. If you have been financially impacted by COVID-19, we are offering a 3 month skip a payment program to help alleviate some of your financial hardships. To accept this offer simply complete this form and present the signed form to your loan officer or local branch.

By signing this form, you understand that:

- Your interest will continue to accrue and the 3 extended payments will cause your loan to extend beyond the original maturity, which may change the total amount and schedule of repayment. All other terms and conditions of the loan will remain unchanged.
- If your loan is protected with Debt Protection (Life, Disability or Unemployment) or GAP insurance, skipping a payment may subject your benefits to change or cancellation. In the event of a claim, the policy benefits may not mirror the unpaid balance on your original loan or in some cases, the original policy may have expired with some balance remaining on your loan.
- Any member on the loan agreement may sign the COVID-19 Extension Request Form.
- Loans that are not eligible and do not qualify for COVID-19 Extension Program:
    - Real Estate, Mortgage, and Home Equity Loans
    - Business Loans

If you have any questions about this program, please contact your local loan officer.
