

We are open for business,

just doing it a little differently. Beginning March 23, all lobbies of Hometown Bank of Pennsylvania will be open by appointment only.

Our drive-thru will be open for full services during our regular banking hours. If you need a service from inside the bank (access to your safe deposit box, open an account or close a loan), please call one of our branches to schedule an appointment. We will try to be as accommodating as possible during these changing times. If you are sick, please for the safety of everyone, do not come to the bank. Use the ATMs at Hometown branches or Sheetz locations for cash withdrawals, use the mobile app to pay bills, access your account information and deposit checks with the remote deposit feature.
