

LONE STAR BANK

NOTICE

LOBBY CLOSURE

Because of our concern for the safety and health of our customers and employees regarding the coronavirus, also known as COVID-19, we are taking several measures to protect you and our employees and maintain an uninterrupted level of exceptional service.

Teller transactions will be conducted in our drive-in facilities until further notice. Teller transactions include deposits, withdrawals, cashing checks, making change, etc. Please use the first drive-in lane for all new accounts, CD renewals, CD redemptions, loan applications, and other similar products and services (The two drive-in lanes are accessed by driving around the rear of the building and entering one of the two drive-in lanes.)

Finally, remember that we have a full range of services and additional information on our website, www.lsbtxas.com, including on-line new account opening. We apologize if these temporary measures cause you any inconvenience.
