TCBT Announces Limited Lobby Access for New Haven and Plaza Banking Centers

On behalf of the TCBT family we want to express our appreciation for your patience and understanding as we have all worked through these trying times together.

Beginning Wednesday, October 21st, access to our New Haven Banking Center lobby will be by appointment only.

Beginning Monday, October 26th, access to our Plaza Banking Center lobby will also be by appointment only.

You can make an appointment to meet with a Loan Officer, to open or close an account, or to access your Safe Deposit Box.

You may also continue to use the drive thru at these locations, as they will be operating with full service. Our mobile and remote services for routine transactions will also be available.

Access to the lobbies at our Main Office and John Rowan Blvd Banking Centers will still be available during normal operating hours.

While in the banking centers we ask that you continue to wear a mask, observe the recommended social distancing guidelines, and make use of the hand sanitizing stations we have placed throughout each location.
