

MT. KEARSARGE INDIAN MUSEUM AND SUGAR RIVER BANK

Invite you to

A FREE TOUR OF THE GALLERIES AND MEDICINE WOOD TRAIL

Mt. Kearsarge Indian Museum and Sugar River Bank are partnering to help children like you whose field trips to MKIM were cancelled due to COVID-19. Because we don't want you to miss out on the fun experience you would have had on your field trip, we're inviting you to come tour the museum with your family!

And to help families during this difficult time. Sugar River Bank has generously offered to cover the cost of the student's admission. Show this invitation at the register to receive admission free-of-charge for one student.
